

Grootpan Hunting Safaris hunt extensively in South Africa, Zimbabwe and Mozambique. In South Africa Grootpan Hunting Safaris hunt on privately owned land as well as on concessions. This gives them the ability to tailor an African hunting adventure to the exact needs of hunters.

Their base hunting camp is situated in the Limpopo Province of South Africa which is famed for its variety and quality of game. Here you can expect to hunt magnificent Lion, huge Buffalo, the majestic Limpopo Kudu and Eland, elusive Njala and Bushbuck to the more common species like Impala and Warthog. You can hunt over thirty species.

Grootpan Hunting Safaris also hunt a concession at Binga in Zimbabwe. This area has no fences and stretches over one million acres of unspoilt Africa. Here you can hunt trophy Elephant, free roaming Lion, Nile crocodile, Hippo, Sable and all your common species of antelope.

Your hosts and owners of Grootpan Hunting Safaris are Hein and Yvette Uys. Hein is a registered big five professional hunter who has been involved in the hunting industry for many years. Hein, his PH'S and trackers will make every effort to find and hunt your dream animal and make your African Safaris an experience unequalled anywhere in the world. We also have a representative in the United States of America for ease of booking for our USA clients. All safari's are carefully planned to meet the exact requirements of each hunter, client or group and are normally booked well in advance.
