Your hosts and owners of Grootpan Hunting Safaris are Hein and Yvette Uys. Hein is a registered PH with PHASA and has been hunting since childhood. They have two daughters Nadine and Kaylin and operate the business as a family venture. Yvette and her team will ensure that your adventure is unforgettable, and each meal an African masterpiece. Hein, his PH's and trackers will make every effort to find and hunt your dream animals and make this an experience unequalled anywhere in the world. Grootpan Hunting Safaris hunt a total area of 12000 acres consisting of pristine privately owned bushveld, located in the Limpopo Province of South Africa between Thabazimbi and Ellisras close to the Limpopo river and the Botswana border .

The bushveld is famed for its variety and quality of game. Here you can expect to hunt from the majestic kudu and Eland , elusive Njala and bushbuck to the more common species like impala and Blesbuck. The ranch Grootpan is ideal for both active and passive conservationists with a large variety of non-hunting activities for nature lovers. We specialize in Trophy hunts, corporate hunting, getaways and teambuilding.

All safaris are carefully planned to meet the exact requirements of each individual or group and are normally booked well in advance. The ranch is also used for breeding scarce and
